MediHerb® Berberine Active

A Healthy Gut Makes for a Healthier You*

MEDIHERB

MediHerb® Berberine Active

A Healthy Gut Makes for a Healthier You*

From the moment we wake up to the moment we go to sleep, technology is a key component in our non-stop modern lives – mobile phones, laptops, coffee machines, home automation: all making our lives easier. On the flip side, technological advances also mean we're getting less exercise and eating more fast food: ready-made meals, drive-through, pre-packaged foods, backseat breakfasts. It can all play havoc with our health, both in the short and long term.

Berberine Active is a high-quality formulation which may be beneficial in supporting healthy gut and liver function, in promoting vitality as an herbal tonic and antioxidant as well as helping to overcome the effects of modern-day life.*

What is Berberine Active?

For thousands of years, plants rich in berberine have been prized in China, Vietnam, Korea and other traditional medicine systems as a tonifying herbal preparation used to promote a calm digestive tract and healthy liver function.*

Berberine Active contains berberine that is naturally extracted from Phellodendron bark. Berberine has been used traditionally to help encourage a healthy intestinal environment and promote healthy bowel movements.*

Who Needs Berberine Active?

Adults who have concerns about their diet and seek to support a modern Western lifestyle may benefit from taking **Berberine Active**. This product may also help alleviate mild symptoms of poor digestive function.*

Compelling
Benefits

Berberine Active contains berberine derived from Phellodendron bark, traditionally used in Chinese herbal preparations to:

- ✓ Promote regularity of bowel function
- ✓ Support a healthy bowel environment
- ✓ Support healthy liver function
- ✓ Provide antioxidant activity
- ✓ Help overcome the negative effects of a modern lifestyle*
