Catalyn®: Ingredients you know. A brand you can trust.

ALFALFA

OATS

PEA VINE

You know that eating a healthy, whole food diet is a wise decision. But actually doing it—well, that's another story. That's where Catalyn comes in.

What's Catalyn?

- America's first supplement made with whole food ingredient sources
- Made with carrot root, wheat germ, pea vine, alfalfa, mushroom, oat flour, and more
- Many ingredients grown on the Standard Process certified organic farm in Wisconsin
- Originally developed in 1929
