MediHerb® Cat's Claw Forte

Restorative Tonic for Immune System Challenges*

Our body's immune system works as nature's first responder – a complex system that does a remarkable job defending us against illness. To function at its best, our immune system requires balance and harmony. You could think of it as an orchestra, where every instrument needs to be working in tune.

MediHerb's high-quality Cat's Claw Forte contains *Uncaria tomentosa* bark, which was traditionally used as a restorative tonic with immune benefits that was given in times of challenge. It was also used to maintain and support healthy joint movement, as well as to support healthy skin.*¹

What is Cat's Claw Forte?

Named after its curved hook-like thorns, Cat's Claw is a high-climbing vine valued for thousands of years in South and Central America, and highly prized in the ancient Inca civilization.

It has traditionally been used to support the immune system by the Asháninka Indians of Peru, where it is also known as the "life-giving vine."*

Cat's Claw Forte uses a high-quality extract standardized to contain 3.8 mg of Pentacyclic Oxindole Alkaloids (POAs) which are known to support the immune system.*

Who Needs Cat's Claw Forte?

Adults who are looking to support healthy immunity may benefit from taking Cat's Claw Forte.*

It may also be considered for those wishing to support their general health and well-being and as a restorative tonic to assist with general well-being after challenge.*

Compelling
