Chiropractic Care  
Specific Chiropractic Support

# Changing Lives With Nutrition

Standard Process focuses  
on achieving wholistic  
health through nutrition.

From our certified organic, regenerative  
farming practices to our Nutrition Innovation  
Center, we are committed to clinical science  
that advances health and changes lives.

## It Starts With Soil

On our 623-acre, certified organic farm, we use regenerative farming practices to cultivate nutrient-dense soil as nature intended.

## Whole Food-Based Ingredients

The whole foods grown on our farm in our organic soil contain an abundance of phytonutrients. More than 80% of all raw plant ingredients that go into our products come directly from our farm, traveling less than a mile to our manufacturing facility.

## Manufactured With Care

Our freshly picked crops are processed often within a day using state-of-the-art technologies to maintain the naturally occurring nutrients in our plant ingredients.

## Committed to Clinical Science

We are dedicated to being at the forefront of driving clinical studies that advance patient care through whole food-based nutrition.

Nutrition support can play a relevant and critically important role in the delivery of chiropractic care. For more than 100 years, chiropractic care has been focused on providing benefit for millions of patients with a wide range of issues where the core and underlying major systems of the body are aligned and treated.

Today, clinical research has shown that foundational nutritional support can enhance and improve the functional responses of these systems when used as co-therapy with chiropractic treatment modalities.<sup>1</sup>

Whether this is for basic preventive care, the management of injury and function, stabilization of a system or something more serious, selected nutrition can help stabilize key systems of the body and contribute to improved outcomes and responses of patients in chiropractic care.

1. Lee, M.K., et al., The use of nutritional guidance within chiropractic patient management: a survey of 333 chiropractors from the ACORN practice-based research network. *Chiropractic & Manual Therapies*, 2018. **26**(1): p. 7.

This guide provides a series of whole food nutrition product options that can be selected and used as overall therapeutic support for a full range of patient health issues.

## Calcifood® or Calcifood® Powder

### Calcifood supports calcium absorption.\*

- Helps the body build strong, healthy bones
- Adequate calcium as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis in later life\*

**Suggested use:** Calcifood-two wafers per meal, or as directed. Calcifood Powder-one level tablespoon mixed in blender drink per day, or as directed.

**Special information:** Calcifood wafers should be chewed then swallowed.

## Catalyn®, Catalyn® Chewable, or Catalyn® GF

**Catalyn, Dr. Royal Lee's first product, contains vital nutrients from whole food and other sources.\***

- Supplies multiple vitamins for complete, complex nutritional supplementation
- Designed to bridge nutritional gaps in the diet
- Encourages healthy cell functioning
- Supports overall well-being
- Available in original formula, chewable and gluten-free\*

**Suggested use:** Three tablets per day, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Cataplex® D

**Cataplex D supports bone health, mineral absorption, the immune system, and cellular processes.\***

- Encourages healthy calcium absorption from the intestinal tract into the blood
- Supports healthy immune system response function
- Supports and maintains healthy bone density
- Provides vitamin D, which is needed by almost every cell in the body for development and transcription\*

**Suggested use:** Two tablets per day, or as directed.

## Cellular Vitality

**Cellular Vitality supports the body as a whole, with specific emphasis on cellular processes.**

- Contains American ginseng, which acts as a body tonic for the byproducts of everyday stress
- Contains B vitamins, to fuel cells and participate in numerous body processes that contribute to normal function
- Provides nutrients that support antioxidant activity
- Includes the enzyme bromelain from pineapple stems and juice that, when taken between meals, modulates the body's natural inflammatory response function as it relates to periodic challenges like consumption of high-fat foods or strenuous activity
- Contains coenzyme Q<sub>10</sub>, an enzyme that is essential for creation of energy within the mitochondria of cells and that helps protect cells from free radicals
- Contains *Cordyceps sinensis*, a mushroom powder long prized in traditional Chinese medicine with a variety of bioactive compounds that contribute to fatigue management and the maintenance of healthy blood sugar levels already within normal range
- Contains ribonucleic acid (RNA), compounds that can be broken apart as cells to create energy or manufacture protein\*

**Suggested use:** Three capsules per day, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Collagen C™

### **Collagen C supports healthy connective tissue.\***

- Provides ingredients with antioxidant activity
- Supports and promotes normal immune system response function
- Provides whole food sources of vitamin C\*
- Good source of antioxidant vitamin C\*

**Suggested use:** One tablet per meal, or as directed.

**Caution:** Not to be used during pregnancy or lactation unless otherwise directed by a qualified health care professional. Contraindicated in known allergy to plants of the daisy family.

## Congaplex®

**Congaplex is used for short-term support of the immune system.\***

- Supports healthy immune system function
- Provides ingredients with antioxidant activity
- Supports the thymus gland
- Contains ribonucleic acid, which the body uses to build new cells
- Good source of antioxidant vitamin C\*

**Suggested use:** Three capsules per meal, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Drenamin®

**Drenamin supports adrenal function and helps maintain emotional balance.\***

- Promotes healthy adrenal gland function
- Encourages a healthy response to everyday environmental stresses and supports immune system response function
- Maintains energy production
- Supports a balanced mood
- Good source of antioxidant vitamin C\*

**Suggested use:** Three tablets per meal, or as directed.

## Glucosamine Synergy®

**Glucosamine Synergy combines glucosamine, *Boswellia serrata*, and manganese to help maintain healthy joint function.**

- Maintains healthy connective tissue
- Supports the body's normal connective tissue repair process
- Supports joint health
- Contains glucosamine and boswellia for relieving discomfort in the affected areas after strenuous exercise\*

**Suggested use:** One capsule three times per day, or as directed.

**Caution:** This product contains ingredients derived from crab shells.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Immuplex®

**Immuplex blends essential micronutrients and minerals as well as Protomorphogen™ and Cytosol™ extracts to support the immune system.\***

- Taken daily, supports a healthy immune system response function
- Helps maintain normal white blood cell activity already within a normal range
- Supports the body's normal inflammatory response function as it relates to periodic challenges like consumption of a high-fat meal or strenuous activity
- Provides ingredients with antioxidant activity
- High in antioxidant vitamins C and E\*

**Suggested use:** Two capsules per meal, or as directed.

**Warning:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

## Ligaplex® I

**Ligaplex I contains nutrients that provide acute ligament and muscle support.\***

- Supports the body's normal connective tissue repair and synthesis processes
- Supports healthy joints and muscles
- Supports bone growth and the synthesis of cartilage
- Contains buckwheat, which supports the body's natural inflammatory response function as it relates to periodic challenges like strenuous exercise\*

**Suggested use:** Two capsules per meal, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Ligaplex® II

**Ligaplex II supports tissue and joints to maintain connective tissue health, especially for long-term support.\***

- Provides the foundation to feed the musculoskeletal system and facilitate freedom of movement
- Nutritional compounds for support of proper formation and maintenance of skeletal tissues
- Involved in maintenance of healthy fluid levels
- Contains bovine heart PMG™ extract\*

**Suggested use:** Two capsules per meal, or as directed.

**Warning:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

## Min-Chex®

**Min-Chex is a combination of minerals and synergistic factors designed to support the nervous system.\***

- Supports nervous system health
- Moderate calmative that helps maintain emotional balance
- Helps ease the effects of temporary stress\*

**Suggested use:** One capsule one half hour before each meal, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Min-Tran®

**Min-Tran is a vegetarian product that contains mineral complexes to support emotional balance.**

- Supports a healthy nervous system
- Mild calmative that helps maintain emotional balance
- Helps ease the effects of temporary stress
- Supports the actions of neurotransmitters that regulate mood\*

**Suggested use:** Four tablets per meal, or as directed.

## Myotrophin PMG®

**Myotrophin PMG is taken to support muscle function.\***

- Provides unique profile of minerals, nucleotides, and peptides\*

**Suggested use:** One tablet per meal, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Neuroplex®

**Neuroplex combines synergistic ingredients to support the nervous and endocrine systems.\***

- Supports the nervous system
- Supports cognitive functioning
- Contains a broad spectrum of vitamins, minerals, and complementary tissues to support endocrine organ function\*

**Suggested use:** Two capsules per day, or as directed

**Warning:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

## OPC Synergy®

**OPC Synergy provides a synergistic blend that supports antioxidant activity and cell functioning.\***

- Provides nutrients that support antioxidant activity
- Supports and maintains normal cell function
- Helps maintain normal cognitive function
- Traditionally used in support of eye health
- Supports the complex processes associated with aging
- Supports a healthy cardiovascular system
- Maintains capillary integrity\*

**Suggested use:** One capsule per day, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Organically Bound Minerals

**Organically Bound Minerals contains iodine from alfalfa and kelp.\***

- Encourages healthy enzyme functioning
- Promotes healthy connective tissue
- Helps maintain proper cellular energy production
- Provides ingredients with antioxidant activity
- Includes whole food-sourced ingredients with complexity maintained through careful processing
- Supports nervous system health
- Contains iodine to assist with proper thyroid function\*

**Suggested use:** One tablet per meal, or as directed.

## Ostrophin PMG®

**Ostrophin PMG combines synergistic nutrients for natural bone health support.\***

- Provides a unique profile of minerals, nucleotides, and peptides along with unknown factors
- Supports healthy bone function\*

**Suggested use:** One tablet per meal, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## SP Complete®

**SP Complete offers essential whole food nutrition in a convenient powder.\***

- Provides amino acids
- Supports intestinal, muscular, and immune system health
- Provides ingredients with antioxidant activity
- Supports healthy liver function
- Supports the body's normal toxin-elimination function
- Contains nondenatured whey proteins that have kept their nutritional integrity throughout the manufacturing process
- Supports the maintenance of a healthy weight when combined with a healthy lifestyle\*

**Suggested use:** Two rounded tablespoons (scoops) per shake. One to three shakes per day, or as directed.

**Special information:** Store unopened container in a cool, dark place.

## Thymus PMG®

**Thymus PMG is designed to support healthy thymus function.\***

- Provides a unique profile of minerals, nucleotides, and peptides\*

**Suggested use:** One tablet per meal, or as directed.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## Tuna Omega-3 Oil or Tuna Omega-3 Chewable

Tuna Omega-3 oils help bridge the gap in dietary omega-3 intake and support the body's natural inflammatory response function as it relates to periodic challenges like consumption of high-fat meal or strenuous activity.\* Tuna Omega-3 oils contain a non-concentrated, natural profile of tuna oil that is rigorously tested to be below regulatory standards for contaminants and toxins.

Along with supporting general health, they also:

- Support cognition
- Support skin and hair health
- Support emotional balance
- Contain DHA, which is important for proper fetal eye and brain development\*

**Suggested use:** Two softgels twice per day with meals, or as directed.

**Special information:** Store product in a cool, dark place.

## MediHerb® Boswellia Complex

**Boswellia Complex contains Boswellia, Celery Seed, Ginger and Turmeric. These and other compounds within Boswellia Complex work together and have been traditionally used to:**

- Support the normal function of the kidneys
- Maintain and support healthy joints
- Support healthy circulation
- Provide antioxidant activity\*

**Suggested use:** One tablet two to four times daily, or as directed.

**Caution:** Not to be used during pregnancy and lactation unless otherwise directed by a qualified health care professional.

\* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

## MediHerb® Nervagesic

**Nervagesic contains California Poppy, Jamaican Dogwood and Corydalis. This combination of herbs contains many compounds including alkaloids, isoflavonoids and other flavonoids. The herbs in Nervagesic are used traditionally to help:**

- Ease temporary mild nervous system discomfort
- Provide nervous system support during temporary or occasional nervous system discomfort
- Promote relaxation of the muscles
- Ease the effects of temporary or occasional nervous stress
- Provide relief from occasional sleeplessness
- Enhance the ability to relax during the night
- Ease the effects of cramping associated with menstruation
- Relieve temporary mild muscular cramps and spasms
- Relieve mild nervous tension\*

**Suggested use:** Two tablets two times daily, or as directed.

**Caution:** Contraindicated in pregnancy and lactation.

## MediHerb® Turmeric Forte

**Turmeric Forte is a formulation of Turmeric rhizome and Fenugreek seed extracts to enhance absorption and improve bioavailability\*† of curcuminoids, the active constituents of Turmeric. Turmeric rhizome provides turmeric curcuminoids, including curcumin, demethoxycurcumin and bisdemethoxycurcumin. This product is standardized to total curcuminoids and to curcumin, to ensure optimal strength and quality.**

The herbs and their constituents:

- Support a healthy inflammation response
- Traditionally maintain and support healthy joints
- Provide antioxidant activity
- Support a healthy response to environmental stressors
- Support healthy liver function
- Traditionally support healthy digestion\*

**Suggested use:** One tablet one to two times daily, or as directed.

**Caution:** Not to be used during pregnancy and lactation unless otherwise directed by a qualified health care professional.

† Contains dietary ingredient (formulation of curcumin with fenugreek dietary fiber), found to have enhanced bioavailability of curcuminoids over unformulated curcumin.<sup>1</sup>

Echinacea (root)†, rose hips†, veal bone†, defatted wheat (germ)†, bovine adrenal†, dried buckwheat (leaf) juice†, buckwheat (seed)†, acerola (berry)†, and mushroom†.		
†Daily Value (DV) not established.		

Other Ingredients: Ascorbic acid, honey, and calcium stearate.

## Congaplex®

### Supplement Facts

Serving Size: 3 Capsules Servings per Container: 30 or 50

	Amount per Serving	%Daily Value
Vitamin A	270 mcg RAE	30%
Vitamin C	6 mg	7%
Calcium	80 mg	8%
Magnesium	15 mg	4%
Proprietary Blend	630 mg	†
Bovine Thymus Cytosol† extract, ribonucleic acid, bovine bone, carrot (root), defatted wheat (germ), bovine adrenal, organic sweet potato, veal bone, organic alfalfa (aerial parts) juice, nutritional yeast, oat flour, bovine kidney, organic alfalfa (aerial parts), veal bone PMG† extract, organic dried buckwheat (aerial parts) juice, organic buckwheat (seed), organic reishi mushroom powder, organic shiitake mushroom powder, rice (bran), sunflower lecithin powder, and carrot oil.		
†Daily Value not established.		

Other Ingredients: Gelatin, calcium lactate, magnesium citrate, water, ascorbic acid, starch, calcium stearate, vitamin A palmitate, and d-alpha tocopherol (vitamin E, sunflower).

Drenamin®

Supplement Facts		
Serving Size: 3 Tablets		Servings per Container: 30 or 120
Amount per Serving	%Daily Value	
Vitamin C	9 mg	10%
Riboflavin	1 mg	80%
Niacin	12 mg	80%
Vitamin B6	0.3 mg	20%
Proprietary Blend	725 mg	†
Calcium lactate, rice (bran), bovine liver, bovine adrenal, porcine stomach, nutritional yeast, bovine adrenal PMG™ extract, choline bitartrate, organic dried alfalfa (aerial parts) juice, organic dried buckwheat (aerial parts) juice, organic buckwheat (seed), magnesium citrate, oat flour, bovine bone, para-aminobenzoate, organic shiitake mushroom powder, organic reishi mushroom powder, porcine brain, veal bone PMG™ extract, organic sweet potato, and sunflower lecithin.		
†Daily Value not established.		

Other Ingredients: Honey, cellulose, niacinamide, ascorbic acid, calcium stearate, riboflavin, D-alpha tocopherol (vitamin E sunflower), and pyridoxine hydrochloride.

Glucosamine Synergy®

Supplement Facts		
Serving Size: 1 Capsule		Servings per Container: 90
Amount per Serving	%Daily Value	
Manganese	1 mg	40%
Glucosamine Sulfate (from shellfish)	475 mg	†
Proprietary Blend	91 mg	†
Indian Hawthorne ( <i>Boswellia serrata</i> ), calcium lactate, nutritional yeast, carbanids, bovine bone, veal bone PMG™ extract, bovine liver, defatted wheat (germ), bovine heart PMG™ extract, magnesium citrate, oat flour, inositol, organic dried pea (vine) juice, Sarsaparilla ( <i>Smilax purpurea</i> ), ascorbic acid, carrot (root), ribonucleic acid, organic beet (root), organic sweet potato, bovine liver fat extract, D-alpha tocopherol (vitamin E sunflower), bovine adrenal Cytosol™ extract, bovine kidney, bovine spleen, oximi galen, para-aminobenzoate, organic reishi mushroom powder, organic shiitake mushroom powder, vitamin A palmitate, rice (bran), sunflower lecithin powder, cholecalciferol, organic Tasseed of extract, and cyanocobalamin.		
†Daily Value not established.		

Other Ingredients: Gelatin, calcium stearate, water, manganese glycerophosphate, starch, dicalcium phosphate, and sucrose.

Immuplex®

Supplement Facts		
Serving Size: 2 Capsules		Servings per Container: 45 or 75
Amount per Serving	%Daily Value	
Cholesterol	5 mg	<2%
Vitamin A	300 mcg RAE	30%
Vitamin C	94 mg	60%
Vitamin E	4.9 mg	35%
Vitamin B6	2 mg	120%
Folate (as 100 mcg Folic Acid)	60 mcg DFE	15%
Vitamin B12	2 mcg	65%
Iron	5 mg	30%
Zinc	9 mg	80%
Selenium	6 mcg	10%
Copper	0.2 mg	20%
Chromium	30 mcg	60%
Proprietary Blend	538 mg	†
Bovine liver PMG™ extract, veal bone PMG™ extract, nutritional yeast, bovine spleen PMG™ extract, bovine thymus PMG™ extract, bovine thymus Cytosol™ extract, bovine liver, bovine spleen, and ozone spleen.		
†Daily Value not established.		

Other Ingredients: Gelatin, zinc rice chelate, ascorbic acid, iron rice chelate, chromium yeast, water, starch, D-alpha tocopherol (vitamin E sunflower), selenium yeast, copper rice chelate, pyridoxine hydrochloride, dicalcium phosphate, calcium stearate, vitamin A palmitate, folic acid, and cyanocobalamin.

Ligaplex® I

Supplement Facts		
Serving Size: 2 Capsules		Servings per Container: 75
Amount per Serving	%Daily Value
