Supporting health care practitioners with a systems-based approach to nutritional and herbal supplementation.

Ideal Dispensary
Ideal Dispensary is a systems-based approach to health care. It helps you inspire, engage, and enable your patients to reach peak health by simplifying the product selection process.

**Nutrient Solutions for Different Stages of Health Needs**
Ideal Dispensary gives you the ability to recommend nutritional regimens specific to patient health needs – helping them move up the pyramid to healthy living.

**Foundational Health**
Health and Wellness

**Preventative Care**
Active Health Management

**Condition-Specific Management**
Specific System Support

**Advanced Nutrition Therapy**
Bundled Care Support Regimen for Specific Health Systems
Implement Ideal Dispensary into
your practice with these tools

Product Booklets
Ideal Dispensary booklets help you select
proper nutritional support for your patients.
Browse products from distinct categories of
health conditions and use the booklets to learn
about our systems-focused approach.
Books are available in both print and digital
form, and they can be found at:
www.standardprocess.com/Ideal-Dispensary

Box Set
Organize and display all 15
booklets in your clinic in an Ideal
Dispensary box set. This allows you
to quickly access each booklet and
easily browse products.
(L00057)

Patient Assessment
When your patient fills out the
Standard Process Systems Survey,
you can quickly assess their health
status for a snapshot of the reason
that brought them to see you.
Patient assessment is available in
both print and digital form.
(L00051)

Desk Mat
The Ideal Dispensary desk mat
is a quick reference tool listing
Standard Process products that
support each health condition.
Use it to easily browse and
recommend products.
(L00058)

In-Clinic Displays
Enhance your in-clinic experience with an
attractive and engaging Ideal Dispensary
display, which you can set up and use to
organize the products on your shelves. The
graphics are designed to pique your patients’
interests and ask more about supplements.
See individual display pieces below.
