Changing Lives With Nutrition

Standard Process focuses on achieving wholistic health through nutrition.

From our certified organic, regenerative farming practices to our Nutrition Innovation Center, we are committed to clinical science that advances health and changes lives.
It Starts With Soil

On our 623-acre, certified organic farm, we use regenerative farming practices to cultivate nutrient-dense soil as nature intended.

Whole Food-Based Ingredients

The whole foods grown on our farm in our organic soil contain an abundance of phytonutrients. More than 80% of all raw plant ingredients that go into our products come directly from our farm, traveling less than a mile to our manufacturing facility.

Manufactured With Care

Our freshly picked crops are processed often within a day using state-of-the-art technologies to maintain the naturally occurring nutrients in our plant ingredients.

Committed to Clinical Science

We are dedicated to being at the forefront of driving clinical studies that advance patient care through whole food-based nutrition.
Our portfolio of clinical nutrition products is designed to complement your health care practice with a wide range of whole food-based nutritional supplements and herbal products. The Ideal Dispensary provides wellness support that meets the specific needs of your patients and their healthy lifestyle goals. From foundational health to advanced nutrition therapies, our systems approach focuses on wholistic health through whole food nutrition.

Foundational Health Products Include:

- Essentials for General Health
- Additional Foundational Support
Nutrition is one of the key building blocks towards a healthy lifestyle, yet in the busy lives of patients, it is often the first thing overlooked. This is where a supplement regimen can help ensure that nutritional needs are met.

Clinical nutrition studies show that positive health and wellness trajectories can be maintained with a high-quality diet – one that includes vegetables, fruits, legumes, healthy fats and macronutrients including proteins and quality carbohydrates. Studies also show that whole food sources deliver key vitamins, minerals and phytonutrients in foods to the body in an optimal manner, the way nature intended.

Standard Process supplements are formulated with this in mind, to deliver vitamins, minerals, phytonutrients from food-based ingredients, many of which contain essential nutrients such as healthy fatty acids (omega-3s), plant-derived proteins, quality carbohydrates and prebiotics.
The products that follow in this book represent the basic and core foundational supplements that include important vitamins, minerals, phytonutrients and whole food-based ingredients.

For the most current and complete information about the product and cautionary warnings, please go to standardprocess.com.
The ability to live happily within our environment begins with good nutrition.

Dr. Royal Lee
## Foundational Health

### ESSENTIALS FOR GENERAL HEALTH

**Standard Process**
- Catalyn®, Catalyn® Chewable, or Catalyn® GF
- Cataplex® D
- Daily Fundamentals — General Health
- Tuna Omega-3 Oil or Tuna Omega-3 Chewable

**MediHerb®**
- Echinacea Premium
- HerbaVital

| 9 |
Catalyn®, Catalyn® Chewable, or Catalyn® GF

Catalyn, Dr. Royal Lee’s first product, contains vital nutrients from whole food and other sources.*

- Supplies multiple vitamins for complete, complex nutritional supplementation
- Designed to bridge nutritional gaps in the diet
- Encourages healthy cell functioning
- Supports overall well-being
- Available in original formula, chewable and gluten-free*

**Suggested use:** Three tablets per day, or as directed.
Cataplex® D

Cataplex D supports bone health, mineral absorption, the immune system, and cellular processes.*

• Encourages healthy calcium absorption from the intestinal tract into the blood
• Supports healthy immune system response function
• Supports and maintains healthy bone density
• Provides vitamin D, which is needed by almost every cell in the body for development and transcription*

Suggested use: Two tablets per day, or as directed.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
Daily Fundamentals — General Health

General Health Daily Fundamentals provide convenient foundational maintenance support to help patients maintain optimal health. Each box includes a 30-day supply of individual packs (taken morning and evening).

Each pack contains:
- Catalyn (three tablets) — contains vital nutrients from whole food and other sources
- Trace Minerals-B₁₂ (one tablet) — trace mineral supplement
- Tuna Omega-3 Oil (two perles) — provides 300 mg DHA and 60 mg EPA omega-3 fatty acids to support heart, brain, eye, and joint health*

Suggested use: Contents of one pack each morning and evening

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Special information: Store product in a cool, dark place.
Tuna Omega-3 Oil or Tuna Omega-3 Chewable

Tuna Omega-3 oils help bridge the gap in dietary omega-3 intake and support the body’s natural inflammatory response function as it relates to periodic challenges like consumption of high-fat meal or strenuous activity.* Tuna Omega-3 oils contain a non-concentrated, natural profile of tuna oil that is rigorously tested to be below regulatory standards for contaminates and toxins.

Along with supporting general health, they also:

• Support cognition
• Support skin and hair health
• Support emotional balance
• Contain DHA, which is important for proper fetal eye and brain development*

Suggested use: Two softgels twice per day with meals, or as directed.

Special information: Store product in a cool, dark place.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
MediHerb® Echinacea Premium

Echinacea Premium combines the roots of *Echinacea angustifolia* and *Echinacea purpurea* to enlist properties unique to each. Echinacea and its constituents are used traditionally to:

- Help enhance healthy immune system function
- Support general health and well-being
- Support healthy immune system response following temporary seasonal stressors
- Support healthy upper respiratory tract
- Help relieve temporary mild throat discomfort associated with hoarseness, dry throat and irritants.*

**Suggested use:** One tablet two to three times daily, or as directed.

**Caution:** Contraindicated in known allergy to plants of the daisy family. Not to be used during pregnancy and lactation unless otherwise directed by a qualified health care professional.
MediHerb® HerbaVital

HerbaVital contains Polygonum cuspidatum, Grape Seed, Korean Ginseng, Ginkgo and Milk Thistle. Together these herbs and the substances within them combine to:

• Support and maintain the body as it ages
• Help the body adapt to the changes of everyday life
• Promote vitality and stamina in older adults
• Maintain feelings of general well-being when experiencing temporary stress
• Support cognitive function and normal memory function
• Work as a tonic to benefit the entire body
• Support healthy circulation in mature men and women
• Provide antioxidant activity*

**Suggested use:** One tablet two to four times daily, or as directed.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.*
One of the biggest tragedies of human civilization is the precedence of chemical therapy over nutrition.

Dr. Royal Lee
Foundational Health

ADDITIONAL FOUNDATIONAL SUPPORT

**Standard Process**
- A-F Betafood®
- Cataplex® B
- Cruciferous Complete™
- Daily Fundamentals — Bone Health
- Min-Tran®
- Organically Bound Minerals

**ProSynbiotic**
- SP Complete®
- SP Detox Balance™
- Trace Minerals-B₁₂™
- Veg-E Complete Pro™
- Chocolate or Vanilla
- Whey Pro Complete

**MediHerb®**
- Adrenal Complex
- Ashwagandha Complex
- Garlic Forte
- Turmeric Forte
- Vitanox®
A-F Betafood®

A-F Betafood includes an array of whole food and other ingredients to support healthy fat digestion.*

- Supports normal processing of dietary fats for cholesterol metabolism
- Supports healthy bowel functioning
- Supports bile production in the liver and healthy bile flow in the gallbladder
- Helps maintain healthy levels of fat in the liver*

Suggested use: Two tablets per meal, or as directed.

Warning: Women who are pregnant, may become pregnant, or are lactating should limit their intake of vitamin A (retinol) and use vitamin A products only as directed by a qualified health care professional. Consumption of large amounts of vitamin A (retinol) has been linked to serious health problems.
Cataplex® B

Cataplex B supports physical and nervous system health.*

- Supports a healthy heart
- Stimulatory to the metabolic, cardiovascular, and central/peripheral nervous systems
- Supports energy production in all cells
- Supports healthy cholesterol levels already within a normal range
- Contains B vitamins to support healthy muscle action
- Supports healthy homocysteine levels*

Suggested use: Two tablets per meal, or as directed.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
Cruciferous Complete™

Cruciferous Complete supports cellular health.*

• Supports healthy liver function
• Provides ingredients with antioxidant activity
• Vitamin K supports calcium absorption, blood clotting, and healthy liver function.
• Our research shows some compounds in kale and Brussels sprouts promote the liver’s natural phase one and two detoxification processes in cell and animal models.*

Suggested use: One capsule per day, or as directed.
Daily Fundamentals — Bone Health

Daily Fundamentals - Bone Health provide convenient maintenance support to keep bones strong and healthy. Adequate calcium as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis in later life. Each box includes a 30-day supply of individual packs (taken morning and evening).

Each pack contains:

• Calcifood® (three wafers)—provides calcium
  Special information: This product should be chewed then swallowed.

• Cataplex® D (one tablet)—supports and maintains healthy bone density

• Cruciferous Complete™ (one capsule)—helps move calcium into bones

• Ostrophin PMG® (two tablets)—supports healthy bone function*

Suggested use: Contents of one pack each morning and evening.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
Min-Tran®

Min-Tran is a vegetarian product that contains mineral complexes to support emotional balance.*

- Supports a healthy nervous system
- Mild calmative that helps maintain emotional balance
- Helps ease the effects of temporary stress
- Supports the actions of neurotransmitters that regulate mood*

Suggested use: Four tablets per meal, or as directed.
Organically Bound Minerals

Organically Bound Minerals contains iodine from alfalfa and kelp.*

- Encourages healthy enzyme functioning
- Promotes healthy connective tissue
- Helps maintain proper cellular energy production
- Provides ingredients with antioxidant activity
- Includes whole food-sourced ingredients with complexity maintained through careful processing
- Supports nervous system health
- Contains iodine to assist with proper thyroid function*

**Suggested use:** One tablet per meal, or as directed.

**Caution:** High dose iodine products should only be used under the direct supervision of a healthcare professional. Keep out of reach of children.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
ProSynbiotic

ProSynbiotic is a synergistic blend of four research-supported probiotic strains and two prebiotic fibers to support gut flora and overall intestinal health.*

- Contains research-supported strains of lactic acid bacteria (*Lactobacillus* and *Bifidobacterium*) and *Saccharomyces cerevisiae* var. *boulardii*
- Contains inulin (a nondigestible soluble fiber from chicory root) and galactooligosaccharides (nondigestible carbohydrates), both of which are used by probiotic bacteria as food
- Useful in maintaining a healthy gut microbial environment
- Supports the body’s natural absorption of calcium and magnesium
- Improves nutrient digestion and absorption
- Supports normal bowel regularity and consistency
- Supports the body’s natural immune system response function*

**Suggested use:** Three capsules per day, or as directed.

**Special information:** Store in a cool, dry place. Although research varies, our strains seem to work best when taken after a meal.
SP Complete®

SP Complete offers essential whole food nutrition in a convenient powder.*

- Provides amino acids
- Supports intestinal, muscular, and immune system health
- Provides ingredients with antioxidant activity
- Supports healthy liver function
- Supports the body’s normal toxin-elimination function
- Contains non-denatured whey proteins that have kept their nutritional integrity throughout the manufacturing process
- Supports the maintenance of a healthy weight when combined with a healthy lifestyle*

Suggested use: 2 rounded tablespoons (scoops) per shake. One to three shakes per day, or as directed.

Special information: Store unopened container in a cool, dark place.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
SP Detox Balance™

**SP Detox Balance supports whole body detoxification.**

- Supports the body’s natural metabolic detoxification processes*
- Rich source of protein (17g per serving) - contains protein from pea isolates, pumpkin concentrate, oat flour and buckwheat flour
- Provides amino acids required for conjugation enzymes (phase II enzymes)*
- Good source of dietary fiber
- Supports the body’s natural toxin elimination function*
- Good source of plant-based magnesium

**Suggested use:** One to three servings per day, or as directed. SP Detox Balance is not intended as a meal replacement.

**Special information:** Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under the age of 6. Keep this product out of the reach of children. In case of accidental overdose, call a health care professional or poison control center immediately. This product contains naturally occurring vitamin K1. All forms of vitamin K may interact with blood thinning medications. If you are taking such medicines, please consult with your health care professional before taking this product. If you are pregnant or lactating, please consult with your health care professional before taking this product.
Trace Minerals-B₁₂™

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.*

Trace Minerals-B₁₂ combines important nutrients to support enzymatic reactions in the body.*

• Spectrum of minerals that support a healthy body
• Provides essential cofactors for healthy cell functioning
• Provides iodine, which is required for healthy thyroid, spleen, and red blood cell functions
• Among other functions, these trace minerals support ligament, cartilage, and bone structure; immune system response function and thyroid function; fat metabolism; and calcium utilization*

Suggested use: One tablet per day, or as directed.
Veg-E Complete Pro™ Chocolate and Veg-E Complete Pro™ Vanilla

Veg-E Complete Pro offers an organic multisource blend of plant-based protein in a convenient powder available in delicious chocolate or vanilla flavor.*

- Complete protein with all nine essential amino acids at recommended levels
- Contains organic pea protein, pumpkin seed protein, and sesame seed protein
- Supports muscle building and recovery
- Supports cellular function and enzyme action
- Supports energy levels
- Supports gut health
- Supports hair, skin, and nails
- No genetically engineered ingredients
- No artificial sweeteners or artificial flavors*

**Suggested use:** 4 heaping tablespoons (scoops) or one packet in 8-12 ounces water, one to three servings per day, or as directed. Mix product thoroughly for 10 to 15 seconds.

**Special information:** Settling of product after mixing may occur. Store mixed product in refrigerator if not consumed immediately.
Whey Pro Complete

Whey Pro Complete supports weight management, muscle tissue, immune system response function, and gastrointestinal (GI) health.*

- Protein supplement to increase protein intake
- Supports healthy epithelial cells in the bowel
- Helps promote satiety
- Supports the body’s natural muscle growth and repair processes
- Contains colostrum and inulin for GI-based immune system support
- Can be mixed in a supplement shake or added to foods*

**Suggested use:** 2 heaping tablespoons (scoops) or one packet per shake. One to three shakes per day, or as directed.

**Special information:** Store unopened container in a cool, dark place.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
MediHerb® Adrenal Complex

Adrenal Complex contains Licorice and Rehmannia, a combination that contains many compounds including triterpenoid saponins (especially glycyrrhizin), other saponins, iridoid glycosides and many flavonoids. Together these herbs and the substances within them are used traditionally to:

- Restore adrenal function
- Support adrenal gland health
- Help the body adapt to the challenges of everyday life*

**Suggested use:** One tablet two to three times daily, or as directed.

**Caution:** Contraindicated in high blood pressure, edema (water retention), congestive heart failure, low blood potassium, pregnancy and lactation.
MediHerb® Ashwagandha Complex

Ashwagandha Complex contains the following herbs: Ashwagandha, Licorice, Skullcap and Korean Ginseng. Together these herbs and the substances within them are used traditionally to:

- Work as a tonic to benefit the entire body
- Help the body adapt to the changes of everyday life
- Maintain feelings of general well-being when experiencing temporary stress
- Support a healthy immune system
- Promote vitality and stamina in people of any age
- Support and maintain the body as it ages
- Help maintain healthy mood balance*

**Suggested use:** One tablet three times daily, or as directed.

**Caution:** Contraindicated in high blood pressure, edema (water retention), congestive heart failure, low blood potassium, pregnancy and lactation. Discontinue during an acute infection or fever. If you have a thyroid condition, use strictly under physician direction.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
MediHerb® Garlic Forte

Garlic Forte contains sulfur compounds (particularly alliin) and other compounds. The compounds in Garlic Forte, particularly the alliin and resultant metabolites which are formed on ingestion, are used traditionally to:

- Help maintain normal cholesterol levels already within a normal range
- Support cardiovascular system health
- Support healthy upper respiratory tract
- Support immune system health*

Suggested use: One tablet one to two times daily, or as directed. Enteric coated tablets. Do not break or crush.

Caution: Contraindicated in known allergy to Garlic. Contraindicated in lactation. Not to be used during pregnancy unless otherwise directed by a qualified health care professional.
MediHerb® Turmeric Forte

Turmeric Forte is a formulation of Turmeric rhizome and Fenugreek seed extracts to enhance absorption and improve bioavailability*† of curcuminoids, the active constituents of Turmeric. Turmeric rhizome provides turmeric curcuminoids, including curcumin, demethoxycurcumin and bisdemethoxycurcumin. This product is standardized to total curcuminoids and to curcumin, to ensure optimal strength and quality.

The herbs and their constituents:
• Support a healthy inflammation response
• Traditionally maintain and support healthy joints
• Provide antioxidant activity
• Support a healthy response to environmental stressors
• Support healthy liver function
• Traditionally support healthy digestion*

Suggested use: One tablet one to two times daily, or as directed.

Caution: Not to be used during pregnancy and lactation unless otherwise directed by a qualified health care professional.

† Contains dietary ingredient (formulation of curcumin with fenugreek dietary fiber), found to have enhanced bioavailability of curcuminoids over unformulated curcumin.†

† Kumar D, Jacob D, Subhash PS et al. J Funct Foods 2016; 22, 578-587

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
MediHerb® Vitanox®

Vitanox contains a synergistic blend of herbs which provide antioxidant activity. The natural substances in Vitanox are used traditionally to:

- Provide antioxidant activity
- Support healthy circulation and vascular integrity
- Support general health and well-being
- Support and maintain cellular health*

**Suggested use:** One tablet one to two times daily, or as directed.

**Caution:** Contraindicated in pregnancy. Contraindicated during lactation unless otherwise directed by a qualified health care professional. Contraindicated in blockage of the gallbladder. Use only with professional supervision in the presence of gallstones. In anemia and cases where iron supplementation is required, do not take simultaneously with meals or iron supplements.

* These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.
