

Nervagesic

When your **nerves** and **muscles** are telling you they need **soothing support**

A healthy nervous system is essential for functioning at full capacity. When you feel physically challenged, your nerves and muscles may get tense and you may not feel up to dealing with all that your life requires of you.

Nervagesic is specifically designed to support healthy nervous system tissue and promote relaxation in muscles, when you need it most.*

Ask your health care professional about **Nervagesic** today.
