

Veterinary Online Continuing Education

Nutrition Beyond the Bowl

Your Patients are Waiting

ENHANCE YOUR EDUCATION WITH THE BENEFITS OF NUTRITION

Standard Process is excited to offer complimentary online continuing education (CE) courses for veterinarians and technicians! Learn about the benefits of whole food-based nutrition and how to incorporate it into your practice to support the health of your patients. The courses are taught by veterinarians who are experts in nutrition and practice management.

RACE®-APPROVED, ON-DEMAND

Our courses are nationally accredited by the RACE program of the American Association of Veterinary State Boards (AAVSB), providing an excellent way to help meet your CE requirements.

GETTING STARTED IS EASY

Simply register, log in and begin your journey towards the difference nutrition can make not only in your practice, but also in the lives of your patients.

DESIGNED TO HELP YOU SUCCEED

Each one-hour course features:

- Self-paced, learner-centered format with easy navigation
- Mobile-friendly design for on-the-go accessibility
- Printable or downloadable CE certificate immediately available upon completion

Choose from these great flexible courses

(worth one credit each):

Getting at the Gut Fundamentals

Implementing Nutrition Strategies with Rehab Patients

Integrating Functional Nutrition Into Your Practice

Addressing Homeostasis and Its Role in Healing Mechanisms

Why Nutrition is Important to Supporting Good Health
